PLANNING BOARD
Meeting of
July 5, 2010

The meeting was called to order at 7:30PM by Chairman, Jamie Moore. Members present were Paula Patel. George Hiza was also present as a board member..

A motion to approve the June 7, 2010 minutes of was made by Paula and seconded by George....passed

Information was passed out for some future training. Members were asked to review it and let the Town Board know if they were interested.

We spent some time reviewing some of the past and current projects.

Discussion developed on the topic of on-site construction inspections and reviews. The Planning Board does not know who is responsible for the Town's interests, to inspect these approved projects during the construction stage to insure compliance with the approved engineering plans of the site plan. This is a topic which has been discussed a couple times during our meetings.

It was suggested that we bring this issue to the Town Board to address and answer.

A motion to adjourn was made by George and 2nd by Paula. The next meeting will be August 2, 2010.

Respectfully submitted,

Jamie Moore, Chairman
