\*\*\*\* FOR IMMEDIATE RELEASE \*\*\*\*

### **Repairs to Water Main were Successful**

The Cayuga County Health Department and the City of Auburn would like to notify the public that repairs to the water main break have been made. The repairs were made overnight and did not require water to be shut down for more than four hours. No boil water order is needed. The water is safe to drink.

Individuals with questions are asked to call the Cayuga County Environmental Health Services Division at 315-253-1405 or the City of Auburn Water Treatment Facility at 315-253-8754. The Cayuga County Health Department Web site will have up-to-date information. Please visit <http://co.cayuga.ny.us/hhs/doh/index.htm> for more information.
