Request to Add Agricultural Land into a Certified Agricultural District
March 1, 2012 through March 30, 2012

Agricultural Districts are intended to encourage the continued use of farmland for agricultural production. Enrollment of viable agricultural lands into a certified Agricultural District provides protection of accepted agricultural practices through New York State Agricultural Districts Law. Viable agricultural land is land highly suitable for or currently used for agricultural production. Property owners can request that their property be added to an Agricultural District in Cayuga County between March 1 and March 31, 2012 by completing this form and returning it to:
