

# Plant Material

Groundcovers, bare root seedlings, and wattles

## **Cayuga County**

### **Soil & Water Conservation District:**

7413 County House Rd.  
Auburn, NY 13021  
315-252-4171, ext. 3  
<http://co.cayuga.ny.us/soilcon/index.html>

Annual bare root seedling and groundcover sale. Materials can be ordered February through early April and must be picked up at the District office.

## **NYS DEC**

### **Saratoga Tree Nursery:**

2369 Rt. 50  
Saratoga Springs, NY 12866-4738  
(518) 581-1439  
<http://www.dec.ny.gov/animals/7127.html>

Bare root seedling sale held annually. Also carry a specialized packet of plants specifically for riparian areas. Materials can be ordered January 1 through mid-May. Purchaser can pick up material at the nursery or arrange to have it delivered to the Cayuga County Soil & Water Conservation District Offices in Auburn (see above).

### **Treehaven Evergreen Nursery:**

981 Jamison Rd.  
Elma, NY 14059  
716-652-4206  
<http://www.treehavennursery.com>

Streamco willows and a variety of other plant materials available. Treehaven will ship directly to the purchaser.

*In addition to the suppliers listed above, contact your favorite local nursery or greenhouse to inquire about the native, riparian plants they may carry.*
