

Owasco Lake Watershed Inspection Program

Monthly Activities Report

January 2010

Investigations of Possible Violations

- Investigated two manure complaints on January 25. Neither investigation resulted in a violation. Spreading was not impacting water quality at one site. Second site had been spread on several days prior and had minimal runoff. SWCD and NYS DEC were working to contact landowner and farmer to make them aware of the situation.

Community Outreach

- Taped presentation for the City Council, which can be viewed on the OWN website
- Presented to the Auburn City Council (January 7, 2010)
- Eco-Talk Article – New Year's Resolution for Improving Water Quality
